At Woman's Club.

Mrs. Baldwin Buchanan read a very comprehensive and carefully prepared paper on "Tolstoi as Man and Writer" before the Woman's Club yesterday afternoon.

The lecturer sketched the life of the great novelist and called attention to his unselfish devotion to the good of the Russian people. She also gave brief resumes of several of his most important works, and noted the vigor of style and singleness of purpose in all his writings.

Guests of the afternoon were: Mrs. Ballard, of Washington; Mrs. A. W. Patterson; Miss Moselle Apperson; Mrs. S. W. Huff and Mrs. C. H. Winn; Mrs. Bland Spotswood Smith poured coffee and Mrs. James R. Werth served tea.

ELEANORE.

By TENNYSON.

Other selections from this author have already appeared in this series.

When in the darkness over me
The four-handed mole shall scrape,
Plant thou no dusky cypress-tree,
Nor wreath thy cap with doleful erape,
But pledge me in the flowing grape.

And when the sappy field and wood
Grow green beneath the showery gray,
And rugged barks begin to bud,
And thro' damp holts new-flushed with May,
Ring sudden scritchings of the jay,

Then let wise Nature work her will,
And on my clay her darning grow;
Come only when the days are still,
And at my headstone whisper low,
And tell me if the woodbines blow.

This series began in The Times-Dispatch Sunday, Oct. 11, 1906. One is published each day.

at the Rosemary Library will be given on Thursday afternoon from 5 to 7 o'clock.

These Lenten teas have been a source of much pleasure and profit, and it is expected that the closing one of the series will be more than usually enjoyable and well-attended.

Shamrock Tea.

A very pretty tea was given last evening from 8 to 11 o'clock, in the home of Mrs. W. J. Ready, No. 1619 Park Avenue, under the auspices of the Girls' Missionary Society of Grove Avenue Baptist Church.

In honor of St. Patrick, all the decorations were in green, and shamrocks of all sizes were effectively used. Souvenirs were tiny shamrock pins, and Irish melody and wit played a conspicuous part in the program of music and recitations, delightfully rendered by Mrs. John Murphy and Miss Ella Bailey. A genuine gypsy fortune-teller added much to the evening's merriment.

Among the young ladies who assisted in serving were Misses Nannie and Mary Lee West; Fannie Green, Susie Crenshaw, Inez Barnes, Mary Whitteit and others.

D. A. R. Tea.

A silver tea will be given on Friday afternoon from 5 to 7 o'clock, in the home of Mrs. D. T. Williams, No. 210 East Franklin Street.

A delightful musical program is being arranged, and a number of popular society girls will serve. Proceeds will go to the additional contribution which the Commonwealth Chapter, Daughters of the American Revolution, purposes making to the D. A. R. building on Jamestown Island.

Miss Chevening Honored.

Miss Ruby Chevening, of this city, who has been the guest of Mrs. Philip Seddon Boxley in Yynchburg, was complimented by a eulch party given by her hostess on Wednesday last.

In deference to the patron saint of old Erin, shamrocks were the souvenirs and green was the prevailing color. Mrs. M. B. Hickson, who won the first prize, and Mrs. W. H. Harwood, who was awarded the trophy, both presented their trophies to the guest of honor, an appropriate verse, composed by Mrs. W. Duval Adams, Jr., being recited at the presentation.

A delicious supper followed the game. Miss Chevening has returned to her home, No. 1637 West Grace Street.

TO BE BROUGHT TO HOLLYWOOD

Body of General Armistead, Hero of Gettysburg, May Be Removed from Baltimore.

A movement is on foot to obtain the consent of relatives of General Lewis A. Armistead, who was killed in the memorable charge of Pickett's men at Gettysburg, to have his remains removed from Baltimore to this city and laid in Hollywood Cemetery, on "Gettysburg Hill."

General Armistead was the officer who led the charge in getting through the lines at the time of the immortal charge and is said to have had his hands on one of the guns of the enemy, when he was shot down.

The body was buried in a churchyard in Baltimore, and there is now some talk of abandoning the church and the graveyard, and for that and other reasons it is desired to have the body buried in this city.

If the consent of the relatives of General Armistead can be secured, it is expected that the body will be brought to Richmond by the Maryland delegation of Confederate veterans to the reunion. The party from Baltimore will charter a steamer, and will stop at the quarters during their stay at the reunion.

A marriage license was issued yesterday to Charles E. Martin, of Pennsylvania, and Miss Mattie Miller, of this city, who were married yesterday.

The Modesty of Women

Naturally makes them shrink from the undignified questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread, and undergo all its attendant annoyances and shame for nothing.

Thousands of women who have been cured by Dr. Pierce's Favorite Prescription, in appreciation of the cure which dispensed with the examinations and local treatments, have written testimonials so sure and so convincing that they are a "Favorite Prescription."

It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every medicinal root enters into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients will be found in a pamphlet mailed around the bottle, also a booklet mailed on request.

For a list of Dr. E. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for the Medical Adviser, and the book will be sent to you. If you consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.

NEW MEMBERS OF EDUCATION BOARD

Election Occurs To-Night at Meeting to Be Held in This City.

GLASS AGAIN A CANDIDATE

Superintendent Lynch May Succeed Retiring Member from Norfolk County.

The State Board of Education will meet at the Capitol this evening to transact considerable business, including the selection of the two members of the board actively identified with the public school system, to succeed members whose terms expire.

The two members chosen by the other six are Superintendent E. C. Glass, of Lynchburg, and Superintendent John T. West, of Norfolk county, who were elected four years ago. Captain West is not a candidate for re-election. Mr. Glass is understood, desires to be re-elected, and is making an active canvass for the position. He has always been a staunch supporter of the multiple list of schoolbooks, and his testimony before the investigating committee which recently sat here is proof that he would vote for the multiple list again if the question were to arise again. He expressed the positive conviction that the multiple list is for the best interests of the schools.

May Be Contest.

The attitude of Mr. Glass on this issue, in the opinion of many, would militate against harmony in the board. Superintendent E. C. Glass, of Lynchburg, and Superintendent John T. West, of Norfolk county, who were elected four years ago. Captain West is not a candidate for re-election. Mr. Glass is understood, desires to be re-elected, and is making an active canvass for the position. He expressed the positive conviction that the multiple list is for the best interests of the schools.

Among those mentioned as probable successors to Superintendent West as the county school representative on the board is Superintendent Lynch, of Frederick county, one of the most successful division superintendents in the State. Just who will win the other position is not so certain. In the event Mr. Glass fails of election, it is likely that the successor will be an educator from the southwestern portion of the State.

Besides filling these two positions in its own membership, the board will elect a county superintendent for Russell county and another for Gloucester county to fill vacancies.

The State Board of Education is peculiarly made up. The Governor, Attorney-General and Superintendent of Public Instruction are elected by the people. Representatives of three State institutions for higher education are chosen by the Legislature, and the six thus chosen select a county and a city superintendent to be advisory members of the board, thus making the total membership eight.

MAYOR WILL SPEAK TO V. P. I. STUDENTS

Mayor Carlton McCarthy has accepted an invitation to deliver an address to the students of the Virginia Polytechnic Institute at that institution on June 1st. He has written accepting the invitation, conditionally upon his ability to get away from his official duties. It will be recalled that a Roanoke newspaper recently urged Captain McCarthy as an admirable man to succeed Dr. McVay as president of the Virginia Polytechnic Institute. The city executive has many admirers throughout the State, and particularly in the Southwest.

Opening Exhibit Of Easter Millinery.

Yesterday was a day of Admiration and Congratulation.

The Special Displays Continue To-Day and To-Morrow.

Our first Spring Exhibit Day fully demonstrated the importance of a Kaufmann Opening.

Throngs of fashionable women, anxious to know the positive modes for spring in millinery, costumes and accessories, crowded the store from early morning till late evening.

Expressions of approbation and delight were general with all who viewed the marvelous series of exhibits, in which art and originality had been so effectively combined.

With Easter less than two weeks off, it's important for those who wish to make intelligent and careful selections to do so at once. Delay is sure to mean rush and worry, perhaps disappointment.

Our public is asked to consider this a personal invitation to attend. Welcome.
